

# *Kansas City Here we come!*

*And we are bringing **SUCCESS** with us!*

***SUCCESS is***   
*SUCCESS Integrated Solutions for your Industry!*

- ⇒ ***SUCCESS is*** © is our *Interactive Solution* to your programming needs!
- ⇒ ***SUCCESS is*** © working in JAVA in a Windows (Graphical User Interface) environment!
- ⇒ ***SUCCESS is*** © a fully realized software application designed to handle all aspects of your business needs!
- ⇒ ***SUCCESS is*** © an evolutionary contemporary Version of our SUCCESS Platform designed to allow for a smooth transition from our older versions!
- ⇒ ***SUCCESS is*** © our Dream turned into a Reality!

We're standing Kansas City on its Ear! Come and see a demonstration of our current released Version at the AWRP Convention in Kansas City during the P.I.E. or by contacting Marshall Campbell or Kathy Thomas or by contacting us directly at [sales@dcs-success.com](mailto:sales@dcs-success.com).
